Recorder Package 2015

All Stage 2 students will need to purchase a Recorder Package from Mrs Bell this year. As part of the music program Mrs Bell will be teaching the students how to play the recorder and may select students to perform at various events.

If you have already purchased a Recorder Package last year your child will need to bring it back to school as all recorders will remain at school.

If you haven’t purchased a Recorder Package please add it onto you term invoice.

My child.................................................................will/ will not need to purchase a Recorder Package.
